#### PREFACE

By its very nature a Supplementary is not something new but rather an adjunct or continuation of the parent volume. Supplements were issued from time to time to the Gazetteer volumes published in the old series. The object of issuing such supplements to District Gazetteers is to update the statistical data contained in the parent volume.

The second revised edition of the Kulaba District Gazetteer was published in 1960 by the Gazetteers Department. The present volume is intended to supplement the information contained in the revised edition by recent statistics. Every attempt has been made to bring the statistical data as up-to-date as possible.

My thanks are due to Shri K. K. Chaudhari, M.A., Joint Editor; Dr. V. N. Gurav, M.A., Ph.D., Deputy Editor; Shri M. H. Ranade, B.A.; Shri S. K. Khilare, B.Com., LL.B.; Shri P. N. Narkhede, M.Com.; Smt. M. S. Modikhane, M.A., Research officers for their valuable assistance throughout the work. My thanks are also due to Mrs. N. S. Alawani, Research Assistant, B.A., who primarily compiled this supplement and all other Research assistants for their assistance in the publication of this volume. I am also thankful to the other staff members for their association in the preparation of this volume.

I will be failing in my duty if I do not express my thanks to Dr. P. N. Chopra, M.A., Ph.D., Editor, Central Gazetteers Unit, Ministry of Education, Government of India, New Delhi, as also the editorial staff of the Unit for the effective role in planning and co-ordinating the work of preparation of the Supplementary. The Unit scrutinised the tables of this Supplementary with great care and made several helpful suggestions. It may also be mentioned here that the Government of India paid a sum of Rs. 10,000 towards the compilation and printing of this volume.

Publications, Maharashtra State, Bombay, and Shri B. Bracken, Manager, Government Central Press, Bombay, as also the other technical and managerial staff of the Government Press, Bombay, deserve my thanks for the fine execution of the printing work of this volume in an expeditious manner.

The information contained in the Supplementary was collected with the help and co-operation of various government and semi-government departments especially at the district level. To them all my thanks are due.

Bombay:

B. G. KUNTE,

26th January, 1981.

Executive Editor and Secretary.
